## HIGH SCHOOL'S YEAR BOOK IS ISSUED TODAY

The 1950 Chipmunk, year book for the local high school was being delivered today.

The 32-page cloth bound edition this year is devoted entirely to school activities and is devoid of the usual advertisements. It was financed through student body activities. The staff members were Dick Loynd, editor; Lois Horsley, assistant editor; Mike O'Rourke, business manager; Eleanor Dominguez, art editor; Howard Painter, boys sports; Bettye Henderson, girls sports; Simon Dominguez, photographer; Wilma Horsley, Ned Stuart, Dale Stricklin, Mary Boyce, Cynthia Lynn and Sheldon Jones, contributors, and Miss Mary Ellen Dolcini, advisor.

The volume is a credit to its staff and reflects the many hours of work which went into its production.

## Three Local Women Given Birthday Party

Mrs. Roxie Archie entertained at a luncheon and card party given at the Wishing Well, Verdi, Nevada, on Wednesday honoring Mrs. Walter Loynd, Mrs. Annie Tonini and Mrs. Robert Gifford whose birthdays occur in this month. The setting for the affair was enhanced by the bouquets of pastel flowers, candelabra and favors in the predominant shades of green, yellow and pink. Three cakes decorated in the chosen colors, were presented to the honorees.

Others invited to enjoy the pleasant afternoon included the following friends: Mesdames M. Tonini, A. P. Leitch, Ray Scott, E. L. Loynd, Walter Barrett, C. B. White, B. J. Riordan, Harold Langille, R. N. Little, Robert P. Bick, William Englehart, V. C. Shattuck, Anton Mahne, J. H. Bernard, Dan Smith, Frank Farina, Tony Ghirard, U. ## Open House At Donner Lumber Set For Sunday

An invitation to the public to attend an open house between 2 and 6 p. m. at the Donner Trail Lumber Company's new plant, three miles west of Truckee along Donner Lake, has been extended by Jerry Lewis, owner, on Sunday, June 18.

The reception marks the opening of the company's new building materials and appliance display, sales room and offices. The structure, designed by Mr. and Mrs. Lewis, occupies a space of 70 by 21 feet fronting Highway 40, with ample parking space between the building and the highway.

Lewis said the new store will feature, aside from the usual building materials, a complete line of plumbing and electrical equipment, hardware, tools, mill work and a full assortment of DuPont paints and kindred materials.

Stoves, refrigerators, radios and other home appliances will be stocked, Lewis said. The large display room fronted with large windows, will also house the offices, occupied by the management and Donald Plouff, who will be in charge of the bookkeeping. Lewis said at present they are stocking more than 300,000 feet of all grades of lumber as well as other building requirements, such as nails, roofing, hardware and cement.

"Everything to Build Anything" has been adopted as the company's slogan and Lewis says they will exert every effort to keep pace with all requirements. At the open house on Sunday two Crosley radios will be given away and each one attending will receive a gift, as well as refreshments of coffee and donuts. Lewis suggests that before or after the baseball game with Grass Valley that everyone drop out and view the new addition to Truckee's business development.

## PARTY TO CLIMAX 45 YEARS WORK FOR S. P. RAILROAD

Mrs. Ernest Guidotti and her brother, Henry Esola, will honor their father, Joe Esola, on Sunday, June 18, upon his completion on June 16 of 45 years of employment by the Southern Pacific Company.

The buffet dinner will be given at 6:00 p. m. daylight saving time in the Capitol Hall and will be attended by nearly 100 friends, many of them also employees of the company.

Esola came from Italy and went to work for the railroad almost immediately upon his arrival and has been in Truckee since that time. In the late summer Mr. and Mrs. Esola will leave for Sacramento to live, where they have bought a house. They will be preceded there by Mrs. Guidotti, who will join her husband in the capital city.

## Forest Worker To Be Wyethia Club Speaker

Guest speaker at the Wyethia Club meeting on Friday night, June 16, will be Charles E. Everhart from the administrative office of the Tahoe National Forest in Nevada City. He has been employed in this office for 16 years and previously had seen service in Mono, Tahoe and Six Rivers National Forests. The subject of his address will be "Soil and its Cover."

Refreshments will be served following the meeting.

## From Sacramento—

Mr. and Mrs. John Moro, former local business people now living in Sacramento, vacationed here this week with their son in law and daughter, Mr. and Mrs. Geno Giovannoni. Moro had hoped to see the baseball game and was disappointed when it was rained out.

## Has New Buick—

Mrs. Beatrice E. Greene, manager of Kings Beach Resort, has purchased a new Buick Roadmaster from Clarence Osburn of Osburn's Garage.

SACRAMENTO —(W. N. S.)— R. W. Reads & Co., Berkeley, to was announced as low bidder for cleaning and painting the steel bridges across the North Fork of the Yuba River and over the Southern Pacific tracks four miles east of Emigrant Gap, asking \$14,790 for the job.

## Sun Beams

by Walter M. Barrett

The following statement made by FBI Chief J. Edgar Hoover in an address before the Boy's Clubs of America should give us something to think about: "The tendency to coddle youth or treat their problems with indifference manifests itself in too many communities. Instead of giving young people leadership through example and discipline, too frequently we permit them to run rampant in the uninhibited expression of their impulses—a practice which has led to disastrous consequences! The awesome spectacle of a few weeks ago in one of our cities, of scores of young people swept by a mob spirit flaunting the forces of law and order by rioting in the streets, and equally startling and frightening spectacles in other cities, are sufficient to make us pause and take stock. The unlawful activities of too many of our young people are a national disgrace. We who are engaged in law enforcement see the results daily in the ungoverned activities of teen-age boys and girls who are responsible for a percentage of crimes all out of proportion to their age group."

## STURM, McKAY TRIAL SLATED FOR JULY 18TH

Date for the trial of Robert Sturm, 19, and James McKay, 18, charged with murdering two Shasta County officers, has been set for July 18 at Redding.

The two young men were captured here by State Patrolmen William Gautsche and George Schrom a few hours after the brutal slaying of Undersheriff Earl Sholes and Deputy Sheriff Daniel Heryford of Redding. They were killed May 25 at Gibson.

Both youths pleaded innocent to the murder of the two officers who were killed with their own guns while they were bringing Sturm and McKay to Redding by automobile to face a car theft charge.

Their court appointed attorneys appeared to defend the pair—William Lally and Clarence Pease of Sacramento for Sturm and Kenneth Jackson and Rupert Crittenden of Oakland for McKay.

Judge Albert F. Ross was unable to find an attorney at Redding willing to defend the accused, and provided separate counsel because of possible divergence of defendant interests.

The officers were returning the youths from Seattle. They had been captured there after escaping from a California Youth Authority Camp near Redding.

## Mrs. Coleman Honoree at Donner Lake Affair

Mrs. Herb Coleman of Kingvale was the honoree at a stork shower party given at the Martin Johnson home at Donner Lake Saturday, July 9. Mrs. Johnson and Mrs. Frank Forrest were co-hostesses. Others present were Mesdames Vern Whitten, Ray Guymer, I. Firpo, Jim Thomas, C. J. Knowles, C. R. Heller, Al Sturgill, Harold Steen, E. Aro, Toy Aro, D. Jones, John Richards, all of Donner Summit and Truckee; Mrs. B. Lavin of San Francisco and Mrs. F. Coolie of Sacramento.

## New School Principal Takes Snider House

Mr. and Mrs. Clifton King and two small children, formerly of Red Bluff, arrived on Tuesday to occupy the H. I. Snider house recently vacated by Mr. and Mrs. Monte Archer. King will be the new principal of the local high school when it convenes in the fall. During the summer he plans to attend a teachers' course.

## Attend Wedding—

Mr. and Mrs. Robert Leamon attended the formal wedding of Mr. and Mrs. William Beaton, performed in St. Celia's Church in San Francisco Saturday.

## Trap Shoot Will Be Featured At Lake This Week

### \$1350 Extra Inducement Offered at Tests on Weekend

Trap shooters from near and far will converge upon the Lake Tahoe Gun Club's new clubhouse and range Saturday and Sunday for the Second Registered ATA shoot, to follow a preliminary day on Friday, June 16.

H. E. "Pappy" Brooks of Kings Beach, president of the club, said entries indicate the affair will be a success and a cordial invitation to the public to attend and enjoy the program or participate in the several events is extended.

Over and above the purse and trophies, a \$1350 added sum is being offered and the affair promises a lot of keen competition.

Friday's preliminaries, both non-registered events, will be sponsored by Joe King of Kings Beach and Pappy Brooks' Tahoe Sportsman. The \$150 added for the two events will be prorated to the A, B, C and D classes.

Saturday, Horseshoe Lodge, the Buckhorn and Ta-Neva-Ho are sponsoring the registered shoots with a total of \$550 added to the trophies and purses. The shooting will be in the four classes, with trophies for the winners and the runners up.

Cal-Neva and The Pines are sponsoring the registered Sunday matches with \$850 added money and all classes competing for the trophies.

Andy Sorensen, field captain, has the range in excellent condition and the new club house is a real attraction. Shooters are assured of a good meet and a rapid program of events during the three days.

## SIERRA PACIFIC TO SERVE SCHOOL FOR TIME BEING

At a regular meeting of the trustees of the Tahoe-Truckee Unified School District Tuesday night at Tahoe City, it was decided to accept a temporary service for electrical power for the new high school from the Sierra Pacific Power Company, W. A. Loynd, president of the board, reported.

This action was taken, Loynd said, because the company is in a position to supply immediately the required three-phase service but it does not mean that a contract will be entered into with the company to supply permanent service.

It was announced by Loynd that Walter A. Lentz, counsel for the state board of education, C. E. Tindall, district attorney of Placer County, have both issued opinions which prohibit the school district from advancing \$4500 to the Truckee Public Utility District for the purpose of installing necessary equipment to supply the new high school plant with electricity.

Loynd said no immediate action will be taken regarding the permanent electrical hookup with the school pending a decision by the board of directors of the district relative to the district's ability to furnish the necessary power. He said that it was required of the school district to supply the electricity and water to the new school while it is under construction.

Work on the new school was started this week by Contractor Melvin Gardner of Reno who was awarded the \$703,000 contract.

## 20-30 Club Interested in Cub Scout Activity

Formation of Cub Scout groups is underway here following a meeting held Tuesday evening in the Wyethia Club building with P. Raby of Nevada City, members of the Truckee 20-30 Club, parents and other interested persons present.

The 20-30 Club members are scheduled to visit Lovelock, Nevada, tonight instead of holding their regular meeting last night at Cozzi's Cafe.

## Storms Continue As Precipitation Sets New Mark

In the past two days, lightning hit the Truckee district of the Tahoe National Forest 89 times, according to William F. Curran, local Forest Service fire control officer. These started two known small fires and the Forest Service is guarding against possible latent blazes in dry stumps and logs, Curran said.

Accompanying rain storms since the first of June have nearly tripled the normal precipitation for the month. There has been .96 of inch precipitation since June 1, as against a .37 normal. The temperature range to date this month has been from a low of 23 degrees to a high of 85.

Total precipitation for the season to date is 35.78 inches compared to a normal of 27.38 for the season to September 1. This is 8.40 over the seasonal normal and 8.74 over the June 30 average.

## BROWN ELECTED SHERIFF, MARGIN CUT TO 47 VOTES

By the narrow margin of 47 votes, Wayne (Monk) Brown defeated incumbent Sheriff Richard W. Hoskins in the close contest for Nevada County sheriff.

This was determined at a tabulation of 252 absentee ballots by a special election board appointed by the board of supervisors which completed its work Tuesday night. The count showed Hoskins received 3613 votes and Brown 3660.

In the absentee ballots Hoskins received 146 and Brown 104 votes, a gain for Hoskins but not sufficient to overcome Brown's lead of 90 in the precinct returns from the June 6 primary.

The absentee vote made no other changes in the original vote announced following the primary. It did change the runoff for the Nevada Township constable post. W. O. Shipley held his lead but Joe Tredenich edged out Bert T. Johnson for the runner up position so voters at Nevada City will decide between Shipley and Tredenich at the general election.

New officers take their official positions during the first week in January, 1951.

## POWER SHUTOFFS PLANNED HERE IN NEXT MONTH

Interruptions in electrical service in the area served by the Truckee Public Utility District can be expected during the next 30 days, C. Edmunds, manager, announces.

The delays are due to the necessity of work in replacing and improving some of the lines in the district, Edmunds said, and efforts will be made to limit the interruptions to the hours between 5 and 7 a. m. and 2 to 4 p. m.

Edmunds asks that if there is any serious interference with operations due to these conditions, the customer notify the district.

Considerable improvement will be made in the service when the work is completed, the manager said.

## Leaves Hospital Bed To Attend Graduation

Mrs. Harry Smith, a patient at a Reno hospital where she has been undergoing treatment for the past several months as the result of an automobile-truck collision near here, was among the proud parents attending the graduation ceremonies for the high school last Saturday when her daughter, Lois Horsley, was among those honored and delivered the principal student address of the day. With her legs still in casts and in a wheel chair, Mrs. Smith attended the exercises and then returned to the hospital.

## Arrives Here—

Mrs. David Campbell of Sacramento has returned to Truckee for several weeks stay.

## Seven Arrested As Local Police Stage Roundup

### Teen-Agers Are Held On Various Charges In Court Here

Following nearly a week of investigation by Constable N. F. Dolley, Deputy Sheriff Posten W. Wilson and officers of the California Highway Patrol here, seven young men were under arrest this week charged with a variety of crimes.

The investigation started last week when one of the suspects attempted to redeem a stolen camera which had been pawned at a Reno second-hand store. Questioning of this boy by the officers led to other arrests and further implications and charges.

Norman John Albee, 24, is held under \$2000 bail on a statutory rape charge, a complaint having been filed with Justice of the Peace R. N. Little. He is also accused of looting parked cars, Dolley said.

James R. Radke, 23, of Kings Beach, was sentenced to serve six months in the county jail after admitting, officers said, to pilfering parked cars. The complaint was filed by the highway patrol.

All the others involved are well known local teen agers who have allegedly admitted breaking into the Concannon Wine Company's warehouse here and stealing a quantity of beer. James Morgan, the company's representative here, has signed a burglary complaint against four of the youths, two of whom are under 18 years of age, the others being 18 and 19.

The boys told questioners they cached the beer near the cemetery and have been using from the deposit for several weeks. Two of the teen-agers are at liberty under \$500 bail each and the others have been certified to the juvenile court.

Pending the outcome of a preliminary hearing scheduled for next week in the local justice court, the names of the teen-agers are being withheld. Still another 18 year old Emigrant Gap boy was fined \$100 and given a 60-day suspended jail sentence by Little after he admitted stealing from parked cars. Officers are continuing their investigation and say still others may be involved.

## ROSE READIES NEW MARKET FOR OPENING

Manager Dave Rose and his staff of workmen are spending long hours preparing the new Rose Brothers' Market at Gateway Park for its official opening on June 23.

The huge building is nearing completion and Rose is erecting the scores of modern shelves and counters for display. He plans to have the store well stocked by a week from Saturday and full details of the move into the new quarters will be announced next week.

Meanwhile, Dwain Freeman is preparing to have his Gateway Donut Shop in full swing at about the same time.

## Crowd Turns Out for Graduation Ceremony

Despite the rather chill, storm threatening day last Saturday, a large crowd attended the graduation exercises at the Outdoor Chapel at Tahoe City for the 20 high and 25 elementary school graduates of the Tahoe-Truckee Unified School District.

The program was impressive and entertaining and marked the close of the first year under the unified school system.

Departing from the custom of selecting a valedictorian, the high school this year decided to name a speaker and chose Lois Horsley for that honor. Superintendent Everett V. O'Rourke gave the address to the graduates and W. A. Loynd, president of the board of trustees, presented the diplomas.

After the graduation a reception was held for the graduates.

## Earl Murray Passes; Ex-Hobart Resident

Earl Murray, for many years a resident of Hobart Mills and during the last years of the operation of the mill a trainman on the Hobart & Southern, died at his home at San Jose yesterday, according to word received here today.

Funeral services will be held Saturday at 10 o'clock at the Doudell Funeral Home in San Jose.

He was a member of Summit Lodge No. 54, Knights of Pythias.

## North Tahoe

by T. BURROUGHS

Monty Beasley has business in Southern California this week.

Little Ron Porath celebrated his fifth birthday last Sunday. He was five years old the day before that grand party at which Linda, Bruce and Judy Draney, Sherri and Cathie Arney, Susan Lucas, Bonnie Svendsen, Pam Powell, Carl Brooks Jr., Richard Parr, Steven and Kris Felte, David LaPlante, Curt and Sharon Draney, Gary and Craig McCoy, Micky and Charles Stamm, shared those two beautiful cakes made by the Brockway Bakery. One cake was a merry-go-round exactly right to delight the heart of any five year old. Shirley Wagner and Cathy Curtis helped with games and serving. Of course, the proud mamas were present. Having as much fun as the youngsters were Phinnie Arney, Anna Svendsen,

Wanda Brooks, Wilma Lucas, Loucille Draney, Peggy Powell and Ron's mom and dad, Fritz and Roy Porath.

Nell Barkhurst returned during the week from Portland where she has been looking after an ailing relative.

The Carpenters' Union dinner and dance at Ta-Neva-Ho was considered a success on Saturday night with a big crowd and fine music.

Woman's Society of Christian Service of the Community Methodist Church will have a luncheon in the yard of Mrs. Anna Blaue's home in Tahoe Vista on Thursday, June 22. On the following day a food sale will be held by the WSCS June 23 at the Stop & Shop in Kings Beach.

Mrs. Sada Welschke with her daughter, Greta, and Charles Alexander of Chico and Mrs. Georgia Whiting of Oroville were guests in the P. R. Murray home over last weekend.

Joe and Annie Dolce attended the wedding of Annie's younger sister who became Mrs. Manuel Machi a couple of weeks ago and honeymooned for ten days at Kings Beach.

Louis Ritsky, employee at Cal-Neva escaped injury Wednesday afternoon when his new Hudson overturned on the Truckee short cut. He was returning from a business trip to Reno. Isabel Rossi, his passenger, was only slightly injured but the car was a total wreck.

It is nice to come to Tahoe from Salt Lake City for a vacation but tough when you come back from a horseback ride with a broken leg. This happened on Wednesday to Mrs. Ray C. Curtis of Salt Lake City while she, with her husband, parents and sister vacationed at North Tahoe. Mrs. Curtis cannot account for the accident. As she was riding on the road some unseen object hit her leg, giving it a smooth break. 'Tis tough to have these not-too-often vacations so abruptly brought to a halt.

Everywhere we see little lawns and some not so small springing into being. The following information was given out by the University of Nevada authority may interest you lovers of lawns and flowers. This test comes from a sample of soil sent in to the agricultural Experiment Station of the university. Our test

of soil shows it to be very low in several elements of vitality. Contains small amounts of nitrogen, phosphorous and potassium. This indicates that we need a complete fertilizer. Virgoro or Victory garden fertilizer is suggested as being suitable. The soil is acid and by all means, lime should be added. Our soil is low in organic matter as based upon results of the test. Following treatment suggested: Four bushels of well rotted barn yard manure in a pile, over which should be poured two pints of virgoro or similar chemical fertilizer and five quarts of hydrated lime. Do not use caustic lime. Mix these materials together thoroughly by turning over the pile several times with a shovel. Spread this mixture evenly over a area of 100 square feet. Spade it into the soil, mixing as thoroughly as possible. From surface to depth of spade. Water thoroughly but not excessively, then allow ground to dry out so that it can be conveniently worked and planted.

Granny Miles' cheerful smile will be missed around the Buckhorn for a week or two while doctors at St. Mary's Hospital in Reno have her under observation.

## GRADUATION AT TAHOE CITY HELD ON SAT'DY

TAHOE CITY—Graduation exercises for the Tahoe-Truckee Unified School District went off as scheduled in the Episcopal Outdoor Chapel here Saturday afternoon. Unsettled weather in the days before threatened to drive the rites indoors but the rains let up especially for the occasion, starting again Sunday.

Parking was handled by the recently formed Tahoe City Cub Scout troop with highway traffic being efficiently taken care of by the California Highway Patrol.

District Superintendent E. V. O'Rourke delivered the principal address of the afternoon, choosing as his topic "The Strength of Unity." He stressed the advantages of the unification of the school district, effected a year and a half ago. He compared this with the struggle for unity among the 13 colonies which grew into the United States.

The graduates of the various schools were presented by their respective principals who offered them congratulations after they received their diplomas from Walter A. Loynd of Truckee, president of the school board.

The program was broadcast over a public address system loaned for the occasion by Jerry Waters of Tahoe City.

High school graduates wore blue caps and gowns. Girls graduating from the elementary schools wore corsages.

The Kings Beach Elementary School was represented by eight graduates; Tahoe Lake School had five; Truckee Elementary twelve and the district high school had 20 graduates.

Following the exercises a reception was held at the Chapel of St. Nicholas with the PTA's of Tahoe City, Kings Beach and Truckee and the Donner Community Club serving refreshments.

## Lincoln Dempseys Are Parents of 2nd Son

TAHOE CITY—Mr. and Mrs. Lincoln Dempsey on Sunday, June 10, welcomed their second son, born in St. Mary's Hospital in Reno. The little lad weighed an ounce over nine pounds on arrival. He will be called Mike to harmonize with his older brother, Pat. Mrs. Dempsey will return to their San Luis Obispo home when able to travel.

Mr. and Mrs. Jake Stuart of Tahoe City are the maternal grandparents.

## Free Booklets Issued By Fish and Game

SACRAMENTO—(W. N. S.)—Issuance of a half million booklets containing the hunting regulation for the 1950 season was announced this week by the state division of fish and game. Officials said the booklets are available on request, without charge. They contain regulations and seasons on deer, bear, pheasant, quail, brush cottontail and jack rabbits, tree squirrels, sage hen and fur bearing animals. Dis-

## NEW VETS' BONDS UP FOR SALE IN NEAR FUTURE

SACRAMENTO—(W. N. S.)—Immediate action to sell the first issue of veterans bonds voted by the people at the Primary Election June 6 will be taken by the California Veterans Board.

This announcement was made Tuesday by Edward M. Seacord, San Jose, who said the board would act on a resolution directed to Governor Earl Warren, asking that the necessary steps be taken for sale of the first bloc of bonds.

Funds will be used to purchase farms and homes for veterans and repayment is made to the state, Seacord said.

The amount of the first bloc has not as yet been decided on, it was stated. The voters have authorized sale of \$100,000,000 worth of the bonds but not all the issue is to be sold at one time.

Upon receipt of the resolution requesting sale, the governor will ask State Treasurer Charles G. Johnson to make the sale. In the past, veteran bonds have commanded a high premium.

Approval of the latest bond issue by the people brings to \$310,000,000 the amount the voters have authorized since 1921, when the first issue was voted, and the bonds sold so far have been used to purchase farms and homes for 41,000 veterans of both World Wars.

### Unemployment Insurance Auditors to Visit Lake To Advise Employers

In order to assist employers who are in doubt of their liability under the state Unemployment Insurance Act and to advise new employers in matters of registration and reporting requirements of the act, H. E. Minear, supervising auditor from Sacramento, and Thomas E. Bruton, auditor in charge from Placerville, will be in the Lake Tahoe area for the week beginning June 26.

Every employer is subject to the tax and other provisions of the act. Certain domestic service in private homes and services for certain nonprofit organizations are exempt.

The auditors will be headquartered at Conoley's Bijou Inn and employers desiring their assistance may contact them there or may request aid by mailing a card to the Auditor in Charge, 640 Main St., Placerville.

### Move to Summit—

The C. R. Morford family is moving from Tahoe City to Soda Springs where Morford who works for the CAA will be nearer to his work.

### Off to Tahoe—

Mr. and Mrs. Clarence Loran Johnston of Piedmont will leave this week end for Lake Tahoe where they will spend the remainder of the summer.

### CHAMBER PREXY CITES RECORD FOR PAST YEAR

**KINGS BEACH—** The Lake Tahoe Chamber of Commerce held an Election Dinner on Wednesday, June 14, at Conoley's Bijou Inn near the southern end of the lake.

In a letter sent to members prior to the session, President Charles B. Cross of Tahoe City cited the record of accomplishments of the organization in the past year. A resume of his report follows:

For the purpose of building up winter sports at Lake Tahoe, the chamber placed ads in several Pacific Coast metropolitan newspapers. During the past winter, the chamber placed 3953 guest days with the help of travel agencies, the chamber paying for all telephone calls.

The Snow Ball was repeated this year and was a huge success. Held during the Lincoln Birthday weekend, it brought many people to Lake Tahoe to enjoy skiing during the day and pleasant entertainment in the evenings.

The organization felt the need of a radio "spot" giving a snow report on roads, and ski conditions but could not absorb the expense. As a result, and in a spirit of cooperation, one local firm and member put on at their expense a weekly snow report program over a San Francisco radio station. This report told of road conditions throughout the area, snow depths on each ski run, and the desirability of each hill for skiing on the following weekend. All special events in the Lake Tahoe area were specifically mentioned.

The chamber was also host to the winners of the "Ladies Be Beautiful" program from station KSFO, San Francisco. This program has a large following from the women in northern California because the experts describe how

a woman can keep herself well groomed and attractive. Lake Tahoe was mentioned continuously, as the winner received a trip to beautiful Lake Tahoe for herself and a companion.

For many months the organization has maintained a business office in the King Building at Kings Beach with Mrs. Evelyn Mandeville in charge.

The chamber has two information booths, one at the entrance to Lake Tahoe at Tahoe City, the other at the Tahoe Valley approach. Both of these booths are attractively designed to appeal to the traveling public and both are completely paid for. In the very near future, they will be manned by competent personnel to impartially assist the traveling public in securing desired information and accommodations.

The chamber has published 50,000 folders at considerable expense. The directors felt this was a "marvelous medium for telling people about Lake Tahoe." There is not a word of individual advertising in these folders. They are simply to boost Lake Tahoe as a unit.

"Your chamber has even greater plans for the coming year," Cross said. "To accomplish these

### Spotlight Favorites

Dairy foods step into the spotlight with the Scotfold Twins of Ice Follies fame when the dairy industry observes nationally in June its 14th Annual Dairy Month. The twins, Joanne and Joyce, whose skating skill is acclaimed from coast to coast, say: "We're healthy because our favorite foods are dairy products."

With the annual per capita use of milk and its products at 249 quarts, there is still need for a 40% higher consumption of milk and its products, according to scientists, who say Americans should consume 341 quarts a year.

Among the cooperators with the dairy industry in the June Dairy Month nationwide program to develop a better understanding of dairy foods are the nation's newspapers, magazines, radio and television stations, food, drug and variety stores, restaurants, hotels and the railroad industry.

### Naronde Will Conduct Accordion Classes

**TAHOE CITY—** John Naronde has returned to Lake Tahoe from Sacramento and will conduct a Lake Tahoe branch of the Neronde School of the Accordion. Naronde has established himself in the Tahoe Park district. He is offering private instructions, specializing in harmony and progressive training in music.

The instructor cites his background of 30 years of experience as a teacher as his qualification.

### GOOD SEASON AHEAD

Fred Manley has returned from Los Angeles to Tahoe Park where he anticipates a good real estate season. Leonard Winter of Sacramento, who is also a home owner in the tract, has joined the staff for the summer.

plans, your chamber needs your wholehearted support and cooperation. As the outgoing president, I ask that you give considered thought to the selection of your new president and that he have your complete backing."

### TAHOE VETERANS DISCUSS PLANS FOR MEMORIAL HALL

**TAHOE CITY—** Tahoe Post 718, American Legion, met informally Monday night. Due to the light attendance, the nomination of officers was postponed.

Members and guests discussed the proposed Tahoe City Veterans' Memorial Hall which the local Legion post and the Bi-County Council have recommended, with a tentative site on the Tahoe Commons. The Placer County board of supervisors has rejected, for the time being at least, the proposal.

The board cited two reasons for its action at the May meeting in Auburn. First, they said that considerable time and money has been spent to preserve public access to the lake through the Commons and that building thereon would tend to block this access. Secondly, they stated that other county needs preclude the levy of a tax to start the building fund during the 1950-51 fiscal year.

Attending the meeting were officers of the Placer-Nevada Bi-County Council of the American Legion, including Commander Richard C. Howard, Adjutant Harold J. Hanson, Building Committeeman Art Brennan and Harry Wiltz of Loomis.

### Speedboat Racing Set At Donner Lake

July 9th is the date set for a four-hour program of speed boat races at Donner Lake, according to Hap Warnke of Donner Lake Lodge. Over 50 entrants are expected in the eight classes of outboard speedboats.

On July 23 an exhibition of water skiing is scheduled with participants coming chiefly from Oakland and Stockton water ski clubs.

### Valentines Visit—

Mr. and Mrs. C. O. Valentine of Costa Mesa and former Lake Tahoe resort owners were visiting with friends in the area last week.

### Tahoe Summer—

In a week or so Mr. and Mrs. Launce Gamble and their children will be leaving their home on the San Mateo Peninsula for Lake Tahoe, planning to stay most of the summer.

Members of the Nebraska unicameral legislature are elected without party designations.

### Truckee School Students Edit Annual Booklet

The 11 graduates of the Truckee Elementary School last week completed their annual, a nicely arranged booklet, edited and prepared by the seventh and eighth grades. The edition contains the biographies, class wills, prophecies, characteristics and other data and activities of the graduating class.

The graduates are Alberta Cooper, Raymond Dixon, Lois Grey, Alfred McGee, Margie Osburn, Marie Osburn, Ruth Osburn, Marilyn Shafer, Joan Ward, Felipe Valdez and Louise Love.

Students of the school will regret that their principal, Jim Welch, did not ask for a renewal of his contract for next year and will be replaced after a year of outstanding achievements.

### Standard develops peacetime use for atomic energy

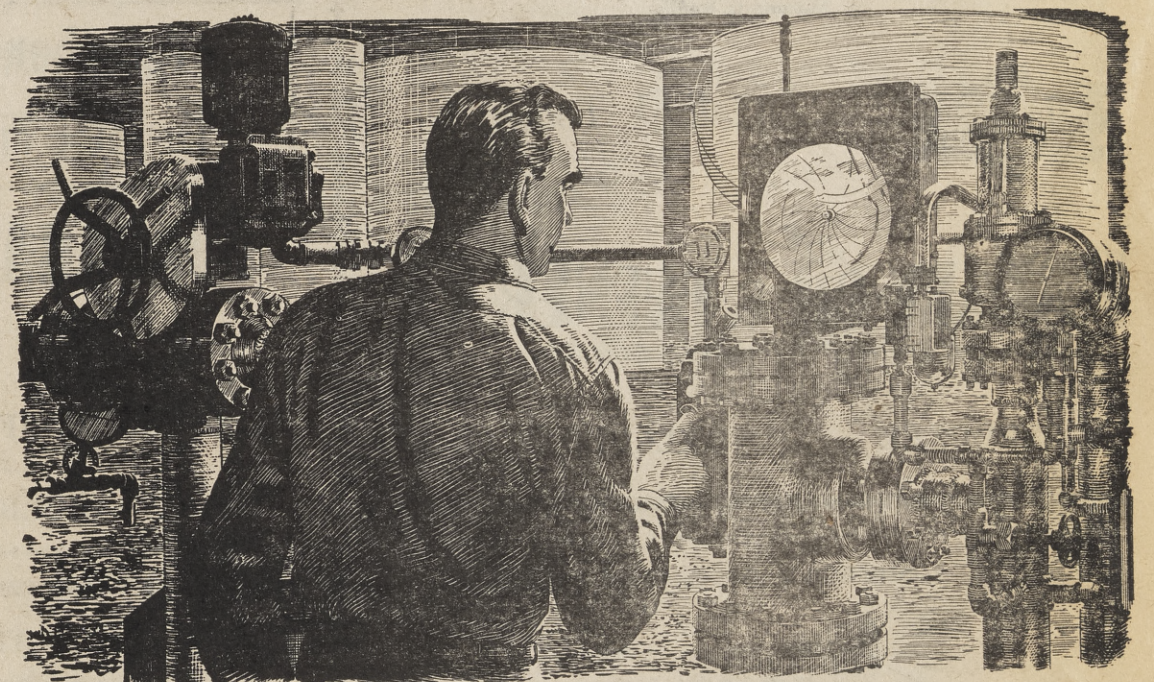

Salt Lake Pipe Line Company (a Standard Oil Company of California subsidiary) is completing a 566-mile pipe line between Salt Lake City and Pasco, Washington. The line will serve many points with a variety of petroleum products.

How could these products be kept separated...products ranging from diesel fuel to high-octane gasoline...as they follow each other through this common carrier line? This problem has been solved efficiently by using atomic energy.

Each time a change to a new product is made, very minute amounts of radioactive tracer material are put into the line...tracer material prepared especially for this use in the Government atomic pile at Oak Ridge, Tennessee.

Using a Geiger Counter, operators at the destination can tell exactly when the radioactive tracer arrives in the pipe...and they can switch the new stream of gasoline or oil into the proper tank. The radioactive

tracer is so diluted in each batch of products that only the recording made by a Geiger Counter can tell you it's there. Its radioactivity will be far less than that of a luminous watch dial.

This is one of the first commercial uses of atomic energy in American industry. But it won't be the last.

Our scientists...and those of other companies...are fast learning how to make this great development work for peaceful purposes. You'll see the results of this knowledge soon...not only in improved methods of transportation but in new and useful products.

**SCHOOL YEAR**  
—by Ernest Towler Jr.  
In this past year, the seventh and eighth grades have achieved many things. For one, they have gone skiing at Squaw Valley. For another, they had a Play Day. There are, of course, many other things, but I can't think of them. I believe this has been a most successful year. I also believe that Mr. Welch has been the best teacher I have ever had. He has done more for the class than any other teacher I have had in the Truckee Elementary School.

**A WONDERFUL YEAR**  
—by Joan Ward  
This year has been a wonderful success. These past nine months have flown by. They have been happy months. Everyone has worked, played and had fun together. There have, of course, been a few unhappy moments but for the most part, everyone got along fine. Mr. Welch has done his part and more. He worked for our benefit. We wish to urge Mr. Welch to come back next year. My classmates and I agree that we have never had a better teacher and pal.

**THANK YOU, SIERRA SUN**  
—by Lois Grey, Ruth Osburn, Sharon Pace  
The pupils of the Truckee Elementary School would like to thank the staff of the Sierra Sun for their kindness in printing our newspaper articles. It has been greatly appreciated by all. Each week the 7th and 8th grade students sent newspaper articles to

the Sierra Sun. We were given a space in which they were printed. This was carried on throughout the year. Again, we would like to thank you, especially Mr. Barrett. We hope someday we may repay this kindness.

**GRADUATION AT TAHOE**  
—by Roberta Peden, Marilyn Shafer  
The Graduation Saturday at Lake Tahoe was very beautiful. Against a background of dark green branches, the graduates of the Tahoe Truckee High School, the Kings Beach School, the Tahoe City School and the Truckee School stepped up to receive their diplomas and take a new step in life. The high school glee club sang and the high school band played. After the graduation a reception was held and punch and cookies were served. We all agree it was a lovely graduation.

**BANQUET**  
—by Alberta Cooper, Eugene Carrillo and Louise Ramirez  
The 7th and 8th grades had a very wonderful banquet last Wednesday. The people who attended were Mr. and Mrs. Welch, Mr. and Mrs. O'Rourke, Mr. and Mrs. Kishbaugh and the students of the 7th and 8th grades. We had

prawns and pot roast for the dinner and the tables were decorated with flowers forming a "T". The girls that were on the decorating committee were Mary Ann Tonini, Joan Ward, Ruth Osburn and Alberta Cooper.  
Louis Ramirez presented Mr. Welch a gift from the 7th and 8th grade pupils. The gift was a very attractive barbecue set.  
A very entertaining program was given, featuring songs by Clarence Love, Joan Ward, Roberta Peden and Sharon Pace. A humorous play, featuring many members of the two classes, was presented to the group. Following the entertainment, dancing was enjoyed by all the class members and faculty.

**PICNIC THURSDAY**  
—by Ginger Reynolds and David Germain  
Mrs. Brown's room, Mrs. Borneman's room and Mrs. Gage's room are going on a picnic on Thursday, June 15. There is going to be games which they are planning now. They are leaving at 11:30 and coming back at 3:30. Mrs. Brown's pupils are talking over what they are going to do this summer. They are thinking of hiking, camping, picnicking and camping. Friday we are getting out of school at 10 a.m. after we get out report cards.

PLACERVILLE— The petition of Fred and Jane LaMoines asking the El Dorado County board of supervisors to abandon a portion of Riverside Avenue in Al Tahoe townsite has been rejected.

District Attorney Henry S. Lyons will proceed with a suit against the LaMoines seeking to require them to remove a fence erected across the end of the street at the approach to the beach.

Four members of the board opposed the LaMoines' petition. Supervisor William Breedlove was absent.

Fence on Beach at  
Homewood**

AUBURN— Supervisors of Placer County have directed District Attorney C. E. Tindall to give them an opinion on the legality of fencing Lakeside Beach near Homewood, Lake Tahoe, by C. D. Huff, a resort owner.

The action was taken after Frank Bendix, Sacramento; Fred Cunningham and Ben Callender, both of Homewood, appeared before the board to complain Huff has blocked off the beach to land owners and the general public through the erection of a fence last month. Huff was not represented at the hearing.

The three contend the area fenced is county property.

### ASKS FOR RETURN OF BIBLE TAKEN FROM HOBART HOME

Mrs. Betty J. Thompson of Sacramento issued an appeal recently for the return of an heirloom Bible taken from a house belonging to her family in Hobart Mills between February 16 and May 27.

Mrs. Thompson in directing her appeal to the person taking the Bible said:

Please return the Bible you took. The other items are not important, but that Bible belonged to my husband's grandmother and it is the only lasting memento we have of her.

Just hand it to your minister and let him return it to us. He will understand and so will we. If you need a Bible that desperately, we will see that your minister gets one to give to you.

### AERIAL PLANTING OF SIERRA LAKES STARTED BY STATE

SACRAMENTO —(W. N. S.)— Improved mountain lake fishing and the opening up of new fishing areas was promised this week by the state division of fish and game.

The agency announced it will embark on a full scale aerial fish planting program this week, slated to continue throughout the summer. The plan envisions the planting of more than 1,600,000 eastern brook and mountain trout in lakes which have heretofore been too inaccessible for extensive stocking by the state. The fish will be mostly fingerlings.

Kramer Adams, fish and game official, said the program climaxes three years of study and experimentation by the division.

"The program has been developed to the point where it is both practical and economical," he stated.

The aerial planting operations will commence in the Fresno-Tulare area this week and extend throughout the entire Sierra area including Siskiyou and Trinity counties in the north.

Adams said the division will use a twin motored plane capable of carrying 30,000 fingerlings at a time.

"Both improved fishing in the mountain lakes and the opening of new areas, heretofore regarded by sportsmen as poor fishing lakes, will result," he declared.

### Former Truckee Girl To Be August Bride

COLFAX— Miss Patricia White, daughter of Mr. and Mrs. Guy White of Colfax and recent Truckee residents, was honored recently at a shower at which Mrs. Irene Shockley was hostess at her home on Highway 40 east of Colfax. The bride-to-be received many lovely gifts.

Miss White has planned her wedding for early in August to Richard Sheppard, son of Mrs. E. Dixon.

### Bad Check Count

Benning A. Granberry and his wife, Lorraine, are being held in the Placerville jail on charges of issuing worthless checks following a vacation at a Lake Tahoe resort where they are said to have issued the checks trying to recoup gambling losses. They gave their address as Redding and said they lost approximately \$600 in Nevada gambling resorts.

### MRS. HALE FOUND DEAD IN AUTO NEAR LAKE HOME

CRYSTAL BAY— Mrs. Madeleine Hale, owner of Hale's Drug Stores in Reno, was found dead in her automobile at her summer home at Crystal Bay, Lake Tahoe, on the afternoon of June 7 at about 4:45 by Anthony J. Neustadter as he was walking by the house. Mrs. Hale was slumped behind the steering wheel. The motor was running and a hose was attached from the exhaust pipe which ran inside the car window. All the windows were closed.

Officers were notified and Coroner Francis West of Colfax was called. Investigation disclosed that Mrs. Hale apparently had taken her own life. She had gone out to the car at approximately 10 o'clock the evening before and had been dead since that time. The engine had run all night.

Notes were found in the seat of the automobile beside her in which she signified her intention of taking her own life. The body was removed to Colfax where an autopsy was made and thence taken to Reno for final rites.

Mrs. Hale is survived by her son, James, seven brothers and sisters.

### FLORISTON by C. A. FELESINA

Mr. and Mrs. L. W. McClain were happily surprised Saturday by a visit from Mrs. McClain's nephew and his wife and family, Mr. and Mrs. John Williams of Duarte, Calif., who were on their way to Yakima, Wash.

Mrs. Marjorie Thies has returned from San Francisco where she had to attend to business.

Visitors at the L. M. Felesina home last week were Mrs. Mary Swail of Carson, Mrs. Carlotta Ohl and Walter Nielson of Reno.

New residents of Floriston are Mr. and Mrs. Lloyd G. Walker and family of San Francisco and Mr. and Mrs. Burk G. Morrison of Reno. Walker came to Reno to manage the Nevada Plating Works and Morrison is with Mobil Homes Corp. of Nevada.

Mr. and Mrs. Lester Felesina spent the weekend at the ranch home of Mrs. Felesina's brother-in-law, Mr. and Mrs. Thomas Julian of Yerington, Nev.

### Evolution of Name of Lake Tahoe Traced

General John Charles Fremont, discoverer of Lake Tahoe, originally named the lake for his companion, Bonpland, the noted botanist. Later it was changed to Lake Bigler, in honor of California's third governor. In 1861 an attempt to change the name to

Tula Tula failed and in 1862 William Henry Knight of Los Angeles persuaded some prominent men of the state to back his effort to call the lake Tahoe.

### Political Observers Ponder Results Of State's Recent Primary Election

by CLEM WHITAKER JR. (California Feature Service)

by EARL G. WATERS (Western News Service)

Until November, when there will be more frustrated dreams and dashed hopes, the ballot campaign is over. Democrats and Republicans have picked their nominees to stand at the General Election. Now the campaigners, some battered, some bruised, some shattered and some confused, will sit back and plot new strategy for the General Election.

Flashing brilliantly after the June 6 Primary is the political star of Lt. Gov. Goodwin J. Knight. The hardhitting "Goodie" Knight rode to triumph in his bid for re-election in unprecedented fashion, winning both Democratic and Republican nominations — a feat never before duplicated in a lieutenant governorship battle.

In the bitter, unrelenting contest for state attorney general, Los Angeles' capable Ed Shattuck capped his fight with incumbent Fred Howser with victory. Shattuck, an underdog from the opening gun, waged his uphill battle with unceasing vigor. San Francisco's Edmund G. "Pat" Brown downed Howser for the Democratic nomination and will meet Shattuck for attorney general honors in November.

Colorful, energetic Congressman Richard Nixon will carry the Republican standard in November against the glamorous Congresswoman Helen Gahagan Douglas in what promises to be the standout battle in the state for retiring Senator Sheridan Downey's U. S. Senate spot.

While the governorship race went as expected, Earl Warren sweeping the GOP nomination and James Roosevelt taking the Demo nomination, Roosevelt probably is more convinced than ever that California's cross-filing system is a plague which should be banished from the face of the earth. If Roosevelt had stuck to his principles and not cross-filed, he wouldn't have taken a shellacking on the Republican ticket — and his stock would be up correspondingly.

That's all for the Primary Election. Next stop is November 7, date of the General Election.

Civic Center  
San Francisco's Civic Center comprises about eight city blocks.

Post mortems on the Primary Election result in several findings which should provide Californians with much conversational material.

Among other things reliability of various pre-election polls are open to serious question.

For both the polls and the betting odds favored Attorney General Fred N. Howser to win the Republican nomination over Edward Shattuck of Los Angeles and predicted a close contest for the Democratic nomination between Howser and the winner, Edmund G. "Pat" Brown, San Francisco district attorney.

As it developed, Howser ran a poor third all the way around. Another event which should provoke wonderment is the showing made by an admitted Communist for the office of state superintendent of public instruction.

This was the votes rolled up by one Bernadette Doyle of San Diego who is a declared Communist party worker. Running as a non-partisan she piled up a vote approximating 20 per cent of the vote cast for the incumbent Roy E. Simpson.

Then the old criticism of cross-filing can crop up again on the basis of the eighth senatorial district election.

There, former Senator D. Jack Metzger, a Republican, ran against Republican incumbent Senator Louis G. Sutton. Both candidates cross-filed as did a third Republican candidate, Grant Merrill. No Democrats filed and Metzger won the Democratic nomination but lost that of his own party, thereby disqualifying himself.

Now the Democrats will be permitted to select a candidate to run against the Republican nominee, Sutton, in November.

### WEST COUNTY SPOT IS MEMORIAL TO GOLD RUSH QUEEN

At the corner of Mill and Walsh Streets in Grass Valley, Nevada County, stands the house that was once the home of Lola Montez, one of the most spectacular women, according to the National Automobile Club, that the nineteenth century produced.

Born in Limerick, Ireland, in 1818, Lola soon grew into strikingly beautiful womanhood, had her first flurry of romance when she eloped with an army officer and moved to India, and her first experience in the theater when she left her husband and returned to England to appear on the London stage.

Soon after her London debut, she crossed to the Continent and started on a series of romantic escapades that set all Europe talking. She journeyed through Warsaw to Saint Petersburg in Russia where she became a close friend of His Imperial Majesty, Nicholas I. From there she went back to western Europe where she indulged in short but dynamic romances with Franz Liszt, Alexander Dumas and one Monsieur Dujarier, a journalist and publisher who died in a duel to leave her a very sizable fortune.

Then Lola brought her European adventure to a climax by capturing the heart of the King of Bavaria so completely that she disrupted his entire kingdom and cost the good king his throne.

Leaving Bavaria in an uproar, she stopped off long enough in England to be married and arrested for bigamy, then took off

across the Atlantic to arrive in New York amid a great storm of glamour and glory. From New York she moved to New Orleans and thence went on to San Francisco, where she left audiences breathless with her dazzling performances in plays and with her world famous Spider Dance.

After another marriage or two she decided to set up house in the comparative peace and quiet of Grass Valley. But peace and quiet for Lola Montez was noise enough for most people for in her home at Mill and Walsh Streets she settled down with another husband, several dogs and a pet bear, and threw some soirees for the miners that became the talk of the Mother Lode country. When editors or others made the mistake of speaking out against her she wasn't beyond giving them a good horsewhipping in a local saloon.

By 1859, however, Lola had moved to New York where she turned to religion in a serious way and died from a stroke of paralysis in 1861 at the age of forty-two.

### San Francisco Celebrates Birthdate Next Week

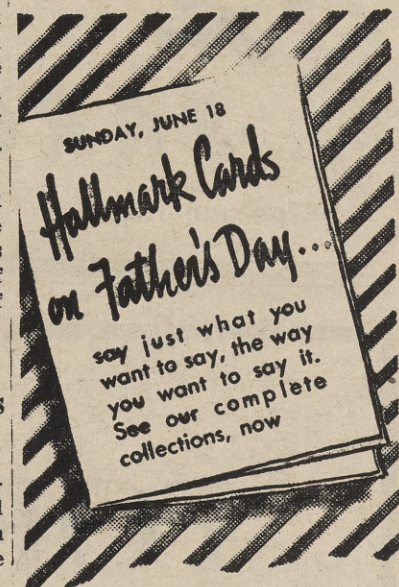

SAN FRANCISCO—On Thursday, June 29, San Francisco will mark its 174th birthday with appropriate ceremonies in the Presidio and at Mission Dolores, two of the city's oldest landmarks.

A citizens' committee composed of representatives of 20 civic organizations is in charge of arrangements for the commemorative event, to which the public is invited.

### State Seeking Homes for Excess Elks

SACRAMENTO —(W. N. S.)—Want an elk for a pet. The state division of fish and game is looking for homes for 51 tule elk, which it must remove from the Tupman Refuge in Kern County. Zoos, schools and other public institutions are eligible to adopt the elk and the division said applications will be received at its San Francisco offices.

## Truckee In National Airport Plan But Is Without Matching Funds

by Congressman Clair Engle  
The recently announced 1950 National Airport Plan reveals that some 45 airports in the Second Congressional District are eligible for construction or improvements to meet existing and anticipated demands for air service for the next three years.

This is a tribute to county and city officials as well as other groups and individuals for their interest in aviation as the number represents nearly 15 per cent of all the projects listed for California.

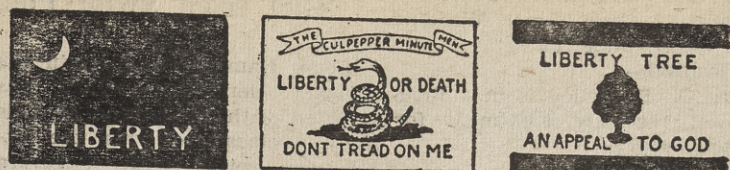

When an airport is included in the national plan it is eligible for federal funds to be matched by a local sponsor which in most cases is a county or city. If request for matching funds is approved, the airport is then included in a construction or improvement program and work can be started as soon as funds are appropriated.

Second District airport projects which have already been granted federal matching funds under the current program and on which construction is underway or completed are Adin, Bishop, Cedarville, Dorris, Dunsmuir, Fort Jones, Jackson, Montague, Quincy, Redding Municipal, and Trinity Center.

Airport projects proposed to be started when local sponsors complete arrangements are Bieber, Corning, Happy Camp and Susanville.

Airport projects for which federal matching funds have been requested are Auburn Municipal, Big Pine, Bryant Field at Bridgeport, Hayfork, Lone Pine, Nevada City Municipal,

## Picture Story of U. S. Flag

PRE-INDEPENDENCE FLAGS—Depicted above are banners carried by American patriots when they first took up arms in 1775. At the left is the blue flag with its white crescent which was nailed to the staff at Fort Moultrie by Sergeant Jasper. In the center is the Rattlesnake Flag of the Virginia minute men at Culpeper. At the right is one of the New England pine tree flags.

This is the first Stars and Stripes. The Continental Congress on June 14, 1777, resolved: "That the thirteen United States be thirteen stripes, red and white; that the Union be thirteen stars, white on a blue field, representing a new constellation." According to legend the five-pointed stars were designed by Mrs. Betsy Ross.

With the admission of Vermont and Kentucky to the Union two stars and two stripes were added to the flag following an Act of Congress in 1794. It was a flag of 15 stars and 15 stripes over Ft. McHenry that inspired Francis Scott Key to write "The Star-Spangled Banner." Congress in 1818 restored the original number of stripes.

Expenditures of the county were budgeted at \$950,124 for 1949-50, compared with \$1,164,738 for 1948-49. During 1949-50, aid to the needy aged and blind was handled in the state budget so the 1949-50 county budgets showed no provision for this big government cost. It was in the 1948-49 budget and will be in the 1950-51 budget.

Subventions and grants from other governments covered \$384,602 of the county's budget for 1949-50, compared with \$599,662 for 1948-49.

Other (non-tax) revenues for 1949-50 were budgeted at \$183,167, compared with \$191,323 for 1948-49.

BULL-APE WAS ON  
THE JUNGLE LORD'S  
LIPS AS HE  
SURGED FOR-  
WARD. THE DE-  
CISIVE MOMENT  
HAD COME!

BY HENRY FORMHALS

WELL, NOW THAT ANOTHER SCHOOL TERM IS HISTORY AND YOU BOTH GOT PASSIN' GRADES, I S'POSE YOU'LL START PUTTIN' ON TH' PRESSURE FOR AN EXPENSIVE VACATION!

NOPE! NOT US---

---WE'RE GOING TO TAKE JOBS FOR THE SUMMER! WE'RE GOING TO WORK!

SURE, I KNOW! YOU'RE GOIN' TO W-W-W---WHAT DID YOU SAY?

THERE MUST BE SOMETHIN' WRONG WITH MY EARS! FOR A MOMENT I THOUGHT YOU SAID YOU WERE GOIN' T'GET JOBS FOR TH' SUMMER!

YOU HEARD CORRECTLY! I'M GOING TO BE A SALES CLERK!

AND I'M GOING TO BE A DELIVERY BOY!

BETWEEN NOW AND SEPTEMBER I SHOULD MAKE AND SAVE QUITE A SUM! IT WILL BE WONDERFUL TO BE FINANCIALLY INDEPENDENT!

WAIT A MINUTE! WHO HIRED YOU-- AND WHEN?

NO ONE YET! TOMORROW WE OFFER OUR SERVICES TO THE HIGHEST BIDDERS!

Y' MEAN YOU'RE GOIN' T' POUND TH' PAVEMENTS TILL TH' BEST OPPORTUNITY PRESENTS ITSELF!

THAT'S RIGHT! BRIGHT AND EARLY TOMORROW MORNIN' WE START OUT!

AREN'T YUH PROUD OF US?

WELL, I SHOULD SAY I AM! THAT'S TH' MOST COMMENDABLE THING YOU KIDS HAVE EVER DONE!

GEE, THANKS, UNCLE JOE!

YEH, TO-MORROW NIGHT ABOUT THIS TIME WE'LL TELL Y' WHO OUR LUCKY EMPLOYERS ARE!

NEXT MORNING---

WHERE'S TOM AN' CAROL? DON'T TELL ME THEY'RE GONE ALREADY?

OH, YES! THEY GOT A VERY EARLY START!

TOM WENT FISHING AND CAROL DROVE TO THE BEACH WITH SOME FRIENDS!
